

DILWORTH PARK

CORPORATE MEETINGS

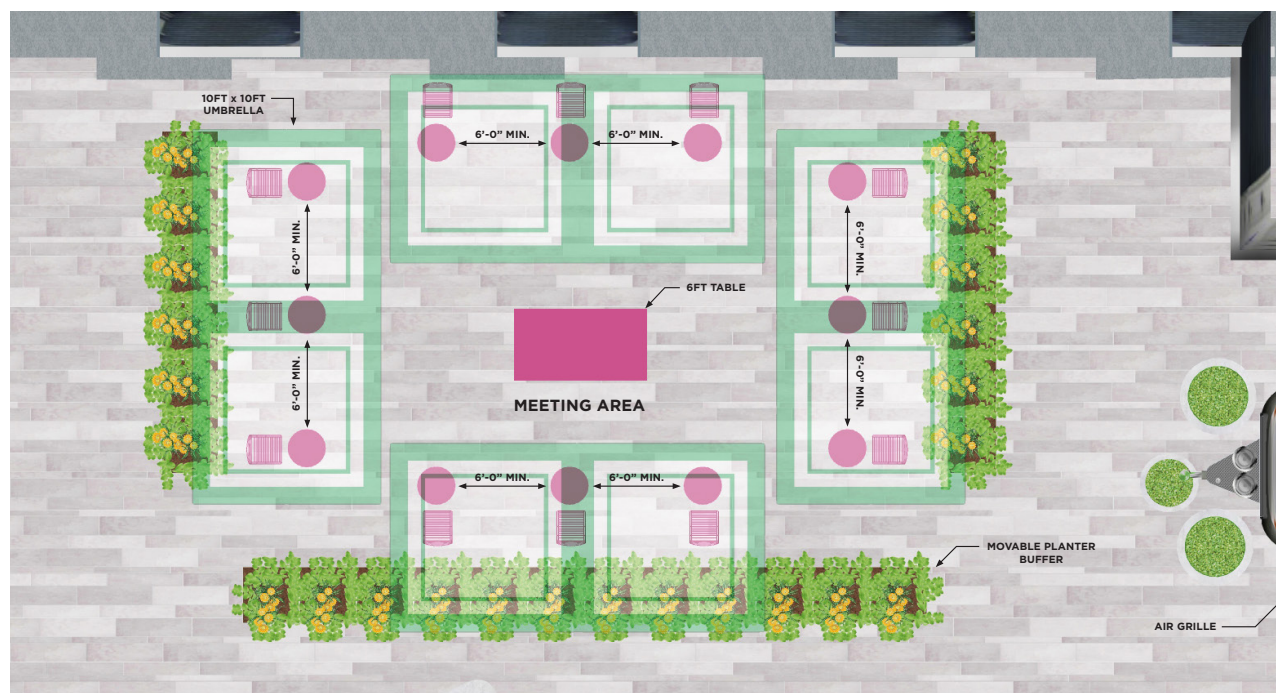

Tired of virtual meetings? Looking to reconnect safely with your colleagues face-to-face? Consider one of Dilworth Park's new **"Business over Breakfast"** meeting options, where you can get away from your screen and meet in the center of the city.

You will be seated in a discreet area of Dilworth Park, surrounded by lush plantings in the shadow of City Hall. Yes, there will be the occasional siren and the distraction of children playing in the fountain. But that's real – not virtual. Tables, which are cleaned hourly, will be set to encourage social distancing, but still maintain the person-to-person connection your business has been missing.
