About the Event

Celebrate the vision and leadership of Paul R. Levy, President and CEO of the Center City District since its creation in 1991.

So many of the places and things, both large and small, that make Center City special have been made possible thanks to Paul's leadership, the support of Center City property owners, businesses and residents and by generous donors to the Center City District Foundation. Dilworth Park. Sister Cities Park's Discovery Garden for children. Color-changing lights on South Broad Street. New sidewalk trees, planters, directional signs, lampposts. City Hall's monumental portal gates. The Rail Park. Clean and safe teams, the Ambassadors of Hope homeless outreach and a new bike patrol.

Your sponsorship will not only recognize Paul's three decades of transformative achievements, it will support CCD's efforts that ensure the vitality of Center City Philadelphia continues for years to come.
